New Payor Compliance Program

Partners created a new compliance program to help resolve reimbursement problems. In the event that members are not being paid contracted rates, please let us know. We are holding formal, problem-focused conference calls with the contracted payers until they correct any unresolved reimbursement problems.

In Office Dispensing Program

Partners identified In-Office Dispensing as a desirable means for physicians to enhance patient satisfaction, increase quality, and improve cash flow and add new profits to the practice. Please call 619.260.7245 for more information about this exciting opportunity.

Coding Tips for Physicians and Staff

Our annual best practices lunch seminar on Coding Tips will be held:
